

**MINNESOTA DEPARTMENT OF PUBLIC SAFETY  
OFFICE OF JUSTICE PROGRAMS**

**JUVENILE ACCOUNTABILITY BLOCK GRANT (JABG) GRANTS 2011-2012**

**Overview:** The federal Office of Juvenile Justice Delinquency Prevention allocates funding for the Juvenile Accountability Block Grants (JABG) to each state. The allocations to each state are required to be monitored by a Juvenile Crime Enforcement Coalition (JCEC). In Minnesota, the Juvenile Justice Advisory Committee (JJAC) serves as the JCEC. Seventy-five percent of these funds are passed through to local units of government using a formula based on juvenile justice expenditures and violent crime rates. The goal of the program is to reduce juvenile crime by encouraging accountability-based reform at the state and local level. Grantees must provide a 10% cash match and programs must fit into one of 16 federally mandated purpose areas.

Formula Grants: For FFY10, the JABG formula allocation is \$553,022, with awards ranging from \$11,010 to \$196,727.
